Churches of all denominations in America are asked to observe Sunday, April 11, as a special day of prayer for Russia, the request being sent out by the Russian Bible and Evangelization Society.

MARY PICKFORD'S GREATEST PLAY.

Mary Pickford's greatest play, "Pollyanna," is to be shown at the Alamo and Grand Theatre, to-morrow and Thursday.

Undoubtedly Mary Pickford, with characteristic far-sightedness, had this in mind when she chose this celebrated work as her first vehicle for the United Artists' Corporation.

The most progressive of the picture stars believe in choosing plays, wherever possible, which will act as a propaganda of good.

It is their ambition to have each screen medium serve a definite purpose, and with this in mind Mary Pickford decided to pictureize Eleanor H. Porter's famous book. So "Pollyanna" is a picture with a mission.
